Re: *In re Alta Mesa Resources, Inc. Securities Litigation*,  
No. 19-CV-00957 (S.D. Tex.) (consolidated)

Dear Judge Hanks:

In accordance with the Court's Procedures, this letter is intended to notify the Court that defendant ARM Energy Holdings, LLC ("ARM Energy") and Class Plaintiffs (FNY Partners Fund LP, FNY Managed Accounts, LLC, Paul J. Burbach, United Association National Pension Fund, and Camelot Event Driven Fund, a series of Frank Funds Trust) have reached a settlement in the above captioned litigation. Accordingly, ARM Energy and Class Plaintiffs respectfully request that the current court proceedings be suspended as to the Class Plaintiffs' claims against ARM Energy (and, the HPS Defendants as the Court was previously notified) only.

This is a partial settlement and does not involve or compromise any claim made by the Class Plaintiffs against any defendant other than ARM Energy and does not involve or compromise any claim made by the plaintiffs in *Alyeska Master Fund, L.P. et al. v. Alta Mesa Resources, Inc. et al.* and *Orbis Global Equity LE Fund (Australia Registered) et al. v. Alta Mesa Resources, Inc. et al.* against any defendant. The settlement between ARM Energy and Class Plaintiffs does not stay any court proceeding involving any other defendants and does not provide a basis for delaying the trial scheduled to commence on November 4, 2024.

Class Plaintiffs and ARM Energy have completed a Stipulation and Agreement of Settlement and Class Plaintiffs intend to file a motion for preliminary approval of the settlement within the next 15 days.
